Dear Golden Bear:

All of us can remember high school educators or staff members who touched us in some way. It might have been through the wisdom they shared, the challenges they provided, the knowledge and passion they had for teaching or the genuine care they exhibited. No matter how they connected with us, our thoughts about them still evoke warm feelings for them and for our high school years.

I am asking you to help us honor these dedicated professionals by nominating them for recognition in the Upper Arlington High School Educators Hall of Fame. Every other year we will recognize these special people through induction into the Hall. Each inductee will have an area of the high school named in their honor and a bronze plaque will be placed in that area to commemorate their commitment and achievements.

Attached are nomination forms, which will be reviewed by a selection committee made up of present teachers, alumni, and members of various civic groups. We are looking forward to the first induction to take place in June of 2005, adhering to the following criteria:

- The nominee must have served a minimum of five years as a teacher, coach, counselor, staff member or administrator.
- During their tenure they made a significant difference in students' lives and the culture of Upper Arlington High School.
- Nominations can come from current and past staff, alumni, parents and community members.
- Nominees must have left the district at least five years ago.
- There will be five inductees the first year and two inductees in each class on alternating years.

I hope you will take the time to recognize the many outstanding educators and staff members who dedicated themselves to Upper Arlington High School and helped establish it as one of the premier high schools in the country.

Go Bears!
